
Critique group seeks new members

Posted by marilynandrews - 2007/11/03 09:43

We are a small group of artists who have been meeting monthly for over five years to talk about our own and each other's work and our experience as artists. We work in different media and are pursuing different goals in the world with our work.

In our conversations we try to get beyond fixed ideas, to learn from our differences, to examine each other's work and ideas non-competitively and openly. We have found that this helps us to move beyond our particular points of view and find challenges to our thinking in each other's work and thinking.

We are looking for new members who will enjoy and learn from the dialogue style conversations we favor. Our group meets once per month, on the third Thursday from 11 to 1 at the GCC Downtown Center in Greenfield.

For more information contact Marilyn Andrews, 413-634-8844 or Lyn Kline 413-628-3882.
